### Notice to Stroud Public School Parents/Guardians May 18, 2023

Enrollment for the 2023-2024 school year is now open for returning and new resident students! If you have questions or need enrollment assistance, the counselors at all three school sites (Parkview, Stroud Middle School and Stroud High School) will be available for walk-in enrollment assistance from May 22 to May 25, between 8:30 AM and 3:30 PM. Instructions for walking through the online enrollment process are on the following pages as well.

NOTE: Students new to the district will need a copy of their birth certificate, shot record, and proof of residency.

Also, as a reminder, any new students who wish to attend Stroud Public Schools but do not live inside the district boundaries must first submit a Transfer Application, starting June 1, 2023. The link for the application is available on the Stroud Public Schools website under the Quick Links section. All applications will be reviewed in accordance with the Stroud Public Schools Open Transfer Policy (also available on the website).

Let's work together to make the enrollment process a breeze and set the stage for an incredible journey of growth and learning for your child in the 2023-2024 school year!
