Parents,

The following information was provided by Child Nutrition at the State Department of Education:

The Parent [P-EBT Review Form](#) is available July 17th – July 28th, 2023, if you need assistance with P-EBT for Summer 2023.

For Summer 2023, school children must meet three important eligibility requirements:

- *Children must have been enrolled in a school district that participates in a federal meal program where meals are served at a school.*
- *Children must qualify for free or reduced-price meals based on income and have turned in the free or reduced-priced meal application to your children's school for 2022-2023 by May 26th, 2023, or be enrolled in a school that participated in the [Community Eligible Provision, Provision 2 or Provision 3](#) federal program in 2022-2023.*
- *Children must have been enrolled in a school district in May of 2023.*

If you believe your child meets the above eligibility criteria and you did not receive your summer benefit by July 17th, 2023, please fill out the review form on the OSDE website by July 28th, 2023. Please submit a separate form for each student to the appropriate building principal. Your school will have an opportunity to review your information. Only your child's school can verify eligibility for P-EBT benefits. Any new benefits for Summer 2023 stemming from corrections will be disbursed by DHS in Fall 2023.

If you have lost your child's P-EBT card, you may request a new card at (888) 328-6551 or connectEBT.com.
